Isle of Man Post Office - Expressions of Interest

Provision of Post Office Services in Ramsey (PO/2026/ITT005)

Isle of Man Post Office (IOMPO) delivers a wide range of postal and retail services across the Island. These services are provided both directly and through partnerships with independent retailers, alongside a growing portfolio of digital offerings.

Due to the incumbent retailer giving notice on their contract, IOMPO is seeking expressions of interest from suitable businesses to provide Post Office services involving all postal services including international, sales of foreign exchange, pension/benefit payments and bill payments services in central Ramsey.

In return for a fixed operating fee, the service provider must provide a separate counter, dedicated staffing, and commit to minimum opening hours.

IOMPO's Ideal Partner Profile

IOMPO anticipates this opportunity would be best suited to an existing retail business seeking to:

- Utilise surplus space
- Generate additional income whilst increasing customer footfall
- Complement its current product or service offering
- Provide an important local community service

This arrangement will be offered for a fixed term from 1st February 2027 to 31st March 2028, with an option to extend for a further twelve (12) months, subject to agreement.
