Provision of Counter and/or Parcel Collection Services in Port Erin (PO/2023/004)

Isle of Man Post Office (IOMPO) has the largest retail network on the Island with 19 post office locations, which offer customers the opportunity to post letters and parcels, pay bills, receive pensions and benefits and renew licenses. Within the community, we also operate a number of kiosks to provide local residents with the opportunity to buy postage and pay bills. Online postal solutions are currently in development.

Due to the Sub Postmaster giving notice to terminate his contract for service, IOMPO are seeking expressions of interest to maintain counter, postal and bill payment services in the Port Erin community through the provision of a counter and/or a parcel collection point.

IOMPO's preferred outcome would be to select a single preferred supplier covering both the counter services and parcel collection services. However, consideration will be given to submissions from interested parties who could provide one or more of the services.

IOMPO believe this opportunity would need to complement an existing business that is looking to increase its footfall and generate an incremental additional income. This opportunity is for a fixed period, until 31st March 2025, with the option to extend one year.

Please be aware that neither the Isle of Man Post Office nor any other part of Government or any other organisation assisting with the procurement process, will accept any charges for expenses or losses incurred by any interested party as a result of responding to this enquiry.

To register your interest in this enquiry, write to Linda Dunwell, Isle of Man Post Office, Postal Headquarters, Spring Valley Industrial Estate, Douglas, Isle of Man IM2 1AA or e-mail procurement@iompost.com

The closing date for expressing an interest is **noon Friday 24th November 2023**.
